

From Doom to Gloom: The story of a video game

 devblogs.microsoft.com/oldnewthing/20060118-17

January 18, 2006

Raymond Chen

NPR's *Morning Edition* developed a series on the subject of flops, and one of their segments was devoted to the rise and fall of John Romero. You can read more about the phenomenon known as *Daikatana* in a [huge series on Gamespot](#). Set aside at least an hour if you choose to read it. You can also read the [Dallas Observer story](#) that opened the floodgates.
