

People just like you, for certain values of you

 devblogs.microsoft.com/oldnewthing/20100118-01

January 18, 2010

Raymond Chen

I received a brochure in the mail for a local church which says that it's "full of people just like you." Everybody in the brochure is white. "You'll fit right in!" it concludes.

Bonus chatter: My friends guessed that perhaps the church members are all computer programmers who work at Microsoft and speak Swedish badly.
