

Watch out for those out-of-control Canadian tour buses

 devblogs.microsoft.com/oldnewthing/20130715-01

July 15, 2013

Raymond Chen

I don't remember the details, but I dreamed about a bunch of things, including careening through Canada on a tour bus trying to catch a ferry while people worried about their cell phone roaming charges, an episode of *Friends* shot in the style of *ER*, and one of my friends in an orange jumpsuit sneaking around.
